

Lingua R Lanyard

Lanyard for Lingua Receiver

Description

The lanyard guarantees an optimal positioning of the receiver in relation to the Lingua Radiator

Optimal infrared coverage at all times

The Televic lanyard offers an easy solution to carry the Lingua Receiver when participants have no option to hang the receiver on their clothes. This guarantees an optimal positioning of the receiver in relation to the Lingua Radiator.

Features

- » Lightweight and comfortable design
- » Easy mounting
- » Lingua Receiver is perfectly positioned
- » Supports Lingua R6, R12, R40
