

Unite BP

Li-ion Spare Battery Pack for Unite TP, RP, RP-T

Description

This rechargeable lithium-ion battery pack* is compatible with Unite TP bodypack transmitters and Unite RP/RP-T bodypack receivers.

The battery includes built-in protection features, including:

- Over-charge protection
- Over-discharge protection
- Over-current protection
- Short-circuit protection

Replacement must be performed by authorized service personnel only. Please refer to the service manual "Replacing the Battery Pack of a Unite Pocket Device".

Minimum order quantity: 10 batteries.

* For the operating time of the battery, please refer to the datasheets of the bodypack devices.
