

Product Discontinuation Letter

12 October 2022

Dear valued partner,

This letter serves as a formal notification that Televic Conference is discontinuing the sales of four D-Cerno discussion units by **September 2023**.

Televic Conference acknowledges the obligation to promptly inform our customers of the intent to exit products to enable our customers to prepare for alternatives and/or to assist in their product portfolio renewal process. In that respect, any existing D-Cerno installation can be expanded with the newer D-Cerno discussion units.

While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our new D-Cerno product range:
