

Product Discontinuation Letter

12 October 2022

Dear valued partner,

This letter serves as a formal notification that Televic Conference is discontinuing the sales of most of the Confidea T products by **September 2023**.

Televic Conference acknowledges the obligation to promptly inform our customers of the intent to exit products to enable our customers to prepare for alternatives and/or to assist in their product portfolio renewal process. In that respect, any existing Confidea T installation can be expanded with the newer Confidea FLEX unit.

While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our new Confidea FLEX and licenses:
